Do you love reading?

Do you want to help raise money for charitable projects overseas?

Would you like the chance to win a prize?

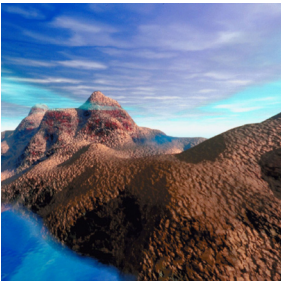

then read on.....

## The Cause

In 2009 the Career Development Group is supporting projects on 3 continents. In Asia, our new VSO Vincent McDonald works as a Communication and Documentation Advisor for the Network of Maharashtra by People Living with HIV and AIDS. In Africa we continue to support the work of the African Prisons Project and are also donating to a small charity, Ghanaian Children's Trust, so they can buy books and furniture for their library. In Cuba, we are raising funds to improve the infrastructure of the Biblioteca Nacional José Martí. We also continue to support the global work of Phi - Partnerships in Health Information.

Following the success of Passport to Africa in 2005, and Passport to Latin America last year, we thought our members and friends might like a new reading challenge for 2009, so we are inviting you to travel with us to

**Another World.....**

# The Challenge

Between **April and August 2009**, Career Development Group Scottish Division is challenging you to read **3 books** on either Science Fiction, Fantasy or wherever your imagination takes you. You could read fiction or non-fiction titles; books for children, young people or adults; poetry or plays; history or biography. You might choose printed books, audio books, Braille or another format.

We'll even provide you with a list of reading suggestions once you've registered!

We are asking you to **sponsor yourself** for **£5**. But you can donate more if you want to!

This scheme is **open to everyone**-group members and non-members, participants in Scotland, and our friends in England, Wales, Northern Ireland and beyond.

## What's in it for me?

All registered participants will be entered into a **PRIZE DRAW** to win a £25 book token. The name of the lucky winner will be drawn in September.
